Caution. Users should note that this file is an Appendix to the book 'Atlantic Spain and Portugal' for which supplements may have been issued; the cautions and notes recorded on page iv of that book apply. Users are reminded that WPs are offered as an aid to navigation. Whilst every effort has been made to ensure their accuracy, none has been proved at sea, no assumption may be made that direct passage is possible between any two (unless the text specifically states that it may), and all should be used in conjunction with visual or other observation)
