ATLANTIC ISLANDS Additional Photographs 2006

© RCC Pilotage Foundation 2006

The photographs listed here were received from Stephen Green in January 2006 and show changes to one harbour since the book was published. The Pilotage Foundation is grateful to him for allowing his work to be used in this manner. His updating notes have been used in the Supplement to this book. Photographs are listed by page reference to the book.

Caution. Users should note that this file supports the book 'Atlantic Islands' and Supplements; the cautions and notes recorded on page iv of that book apply. To the extent permitted by law, the RCC Pilotage Foundation and the authors do not accept liability for any loss and/or damage howsoever caused that may arise from reliance on information contained in these pages.

Santa Cruz de la Palma

Pages 248/249

Entrance to marina at SC de la Palma is now on the west of the harbour, not the east as shown on the plan. Enter between the small yellow buoys.

SC de la Palma Marina pontoon. Moor in Med style leaving a large gap between adjacent boats – or moor to the wall or anchor
