## Mid Season Update (8<sup>th</sup> October 09) The Channel Islands

© RCC Pilotage Foundation 2006

The information provided in the pilot book may be out of date and may be changed or updated without notice. Updates are selective. Where information is received from yachtsmen, or obtained from other sources, it may be included in a Supplement issued around Spring time of each year. Supplements may be available from the Publisher and accessed directly or through this Pilotage Foundation website. Information received in year may be published within this file pending consideration of incorporating in the next Supplement.

Caution. Users should note that this file supports the book 'The Channel Islands' and its most recent Supplement; the cautions and notes recorded on page iv of that book apply. To the extent permitted by law, the RCC Pilotage Foundation and the authors do not accept liability for any loss and/or damage howsoever caused that may arise from reliance on information contained in these pages, and have no liability for any error in, or omission or failure to update such information.

Page 15      Braye to St Peter Port via The Swinge - Best time to leave. Add:

This will ensure a fair tide for the whole passage but will not clear the Swinge before likely development of overfalls. If this is an issue an earlier departure at local HW +0200 to 0230 (HW St Helier + 0115 to 0145) is recommended.

### Guernsey
