SOUTH BISCAY Mid Season Update

© RCC Pilotage Foundation 2009

The information provided in the pilot book may be out of date and may be changed or updated without notice. Updates are selective. Where information is received from yachtsmen, or obtained from other sources, it may be included in a Supplement issued around Spring time of each year. Supplements may be available from the Publisher and accessed directly or through this Pilotage Foundation website. Information received in-year may be published within this file pending consideration of incorporation in the next Supplement.

Caution. Users should note that this file supports the book 'South Biscay' and its most recent Supplement; the cautions and notes recorded on page iv of that book apply. To the extent permitted by law, the RCC Pilotage Foundation and the authors do not accept liability for any loss and/or damage howsoever caused that may arise from reliance on information contained in these pages, and have no liability for any error in, or omission or failure to update such information.

South Channel.

Due to the silting up of the South Channel, all buoys have been removed. Fishing vessels still use this entrance but local knowledge is essential.
